

Ava Patel

Junior Frontend Developer

Bengaluru, India | ava.patel@example.com | github.com/avapatel-dev | linkedin.com/in/avapatel-dev

PROFESSIONAL SUMMARY

Junior frontend developer with hands-on experience building responsive web applications using React, Next.js, TypeScript, and Tailwind CSS. Comfortable integrating REST APIs, collaborating through Git and GitHub, and improving user experiences through clean, reusable components.

TECHNICAL SKILLS

Frontend

React, Next.js, TypeScript, JavaScript, HTML5, CSS3, Tailwind CSS

Tools

VS Code, Figma, Postman, npm, Vercel

Development

REST APIs, Git, GitHub, Responsive Design, Component Architecture

Learning

Jest, Playwright, Web Performance, Accessibility

EXPERIENCE

Frontend Developer Intern | BrightPath Digital, Bengaluru

Jan 2025 - Jun 2025

- Built responsive dashboard screens with React, TypeScript, and Tailwind CSS, improving mobile usability across core user flows.
- Connected REST API endpoints for user profile, project, and status data; handled loading, error, and empty states.
- Worked with a small product team using GitHub pull requests and reusable UI components to deliver weekly updates.

PROJECTS

TaskFlow - Team Task Management App | React, TypeScript, REST API

- Created a responsive task board with filters, status updates, and accessible forms; deployed a live preview on Vercel.

Portfolio Website | Next.js, Tailwind CSS

- Designed and built a personal portfolio featuring project case studies, reusable components, and optimized responsive layouts.

EDUCATION

Bachelor of Computer Applications (BCA) | Fictional Institute of Technology | 2022 - 2025

This is a fictional sample resume created only for software testing.
